

HYDRO-RAIN®

Hydro-Rain Compliance

*Model Water Efficient
Landscape Ordinance*

Hydro-Rain® embodies conservation through innovation. At Hydro-Rain we are constantly innovating to create irrigation products that conserve water while maintaining a healthy landscape. In compliance with California's Department of Water Resources' updated 2015 Model Water Efficient Landscape Ordinance (MWEL0), Hydro-Rain provides this product guide.

The following Hydro-Rain products have been found to be within the requirements outlined in MWEL0 2015.
